

TEST CASE

This test will verify that the random robots can be added and removed to your duo.

Steps

- 1) Click Draw
- 2) Click "Add to Duo" on two robots
- 3) Click "Remove from Duo" on one or both robots
- 4) Add a new robot

Test Postconditions

- Adding a robot should move their display to "Your Duo"
- The removed robot should reappear at the end of the "Choose 2!" display

BUG REPORT

Description

Only losses counter goes up, adding for both wins and losses

Steps to Reproduce

- 1) Select 2 robots to battle with using "Draw", "Add to Duo", and "Duel!" buttons
- 2) Repeat until "You won!" alert

Expected Result

- Wins counter should increase by 1

Actual Result

- Losses counter increased by 1

Environment

- Chrome version 111
- Windows 11
